July greetings to our residents, families, and friends,

Independence & Freedom

The Universal Declaration of Human Rights

“Whereas recognition of the inherent dignity and of the equal and inalienable rights of all members of the human family is the foundation of freedom, justice and peace in the world.”

Advent Square Senior Living offers seniors the opportunity to keep their dignity and provide freedom of choice. Seniors have a say in how they will live and what activities they prefer to participate in. Arrangements are made for residents to shop for personal items and enjoy a weekly trip. The atmosphere is to provide freedom and independence in the aging process. Pictures in this calendar depict the good time they had

As we think about the month of July, think of the Freedom and Independence we have held dear as a nation and country under God.

Advent Square News:

We have a new Executive Director, Michael Norfleet. Please take the time to introduce yourself to Michael. He will be proposing and implementing new and interesting additions for all of us, as well as management issues!!

Welcoming our new Residents:

Joe & Betty in the ALF, and Wanda Brako (ALF). You may be seeing them in the dining room so say **“HELLO”**.

In Independent Living we have Katty Koch and Pat Wilson, both long-time members of the Church. We have old friends that reside at Advent Square so please make an effort to show them around, and make them feel **“WELCOME.”**

Enjoy your 4TH OF JULY
