Fall has arrived and the summer heat is starting to dissipate. So far we have avoided any hurricanes. The FDC and CDC are still debating the Covid boosters and although they are being offered at pharmacies, at this time we are still waiting for direction from our governing agency, AHCA. CVS will be doing a Flu Vaccine clinic here but they have not finalized a date. I will be posting that information as soon as we receive it.

Open enrollment for Medicare begins October 15th and we will be having an informational presentation on the different options on Tuesday, Oct. 19th at 2PM Some of the companies who provide Medicare coverage, like HealthSun, CarePlus etc. will have representatives come in November.

We have two new entertainers for Happy Hour this month, Arthur on the 9th and Ebony on the 23rd. Doug and I will be back on the 30th for a special Halloween Happy Hour. We'll be wearing costumes and encourage you to do the same.

On October 31st, there will be one service at 10AM as Advent Church will be celebrating its 50th Anniversary.
