Wow! Can you believe it is 2023 already? Although the holiday season is a time of togetherness and feasting, the holiday festivities seem to make the final days of the year blur by quickly. So many blessings to reflect upon and so many things to look forward to as we start the New Year at Advent Square.

To kick off the new year there will be a Vision Board Social in the Activity Room hosted by Lisa. We will provide all the material needed to make the vision board. Please join us so we can start setting our goals for the new year.

Who is ready to party? January 18th we have our monthly birthday party for those celebrating in the month of January. So please come down to dining hall at 2:00pm to help us celebrate. And don't forget your dancing shoes!

Boca Raton Library will be providing a service where you'll be able to rent out library items at the comfort off your home and also have them pick them up once you're done. More information will be posted about this service

January 25th we have a movie night at 2pm. If there is any movie you would like to see please let me know a week prior.

Please join us in the activity room ,Jan 31 (2pm), for an afternoon of painting and refreshments . It will be great a opportunity to catch up and enjoy time together.

Each team member at Advent Square cherishes the chance to enrich your days and we work together to do just that. We thank each one of you for making our days brighter and we look forward to enjoying another amazing year together.

*Happy New Year!*

*Merline A.*

Love is why we're here!
