EMERGENCY CALL 911

Dear Residents,

January flew right by . I just recently started getting use to writing "2023" instead of "2022". I hope everyone has a wonderful month and I thank you for being apart of Advent Square. We have some exciting activities this month!

Every Monday at 7:00pm for the month of February and March there will be a St. Francis and Jesus zoom seminar led by Pastor Andy Hagen. The first seminar will be February 6, 2023. We will have it live in the activity room.

February 11th at 3:30pm in the dining hall we will have a Valentine's themed happy hour. Our featured entertainer that day will Karen Cabaret. Come sing and dance to all the classics. And don't forget your red or pink attire.

Spanish River Christian School will be here February 14 at 9am for a short Valentine's Day concert in the dining hall. Following the concert Enhabit will be here at 10:30am for the blood pressure clinic . The health topic subject will be on our cardiac system.

Can you guess that president? Join me on February 17th at 1:30pm in the activity room for a afternoon of trivia and fun. Tell a friend to tell a friend!

We have a new creative writing workshop hosted by Ms. Stephanie Cutrona on February 23rd at 3:30pm. This workshop is a great opportunity to meet people who may have common interest and to share your story.

Are you ready for some traveling? We have a new activity here at Advent Square called "Travel Time with Ramona and Kim". Where you will have the chance to learn about a different country or city and taste authentic dishes from the area. Where do you want to travel to next?

Merline Atis
